About Our Law Firm

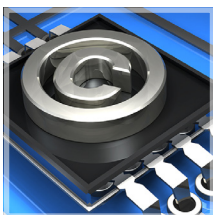

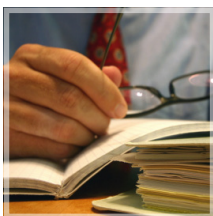

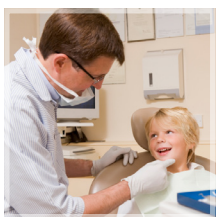

Since its founding in 1930, Mandelbaum Salsburg has been committed to providing high level, personal, hands-on attentiveness to our clients' legal needs.

We treat our clients' matters as our own, and our lawyers take a proactive approach to representing them. We take the time to get to know our clients' businesses so that we can effectively help them avoid legal problems before they occur. Yet if they do occur, we are zealous advocates for our clients from the boardroom to the courtroom.

More than fifty experienced attorneys respond to our clients' legal needs across all aspects of real estate, business litigation, business counseling and personal matters. We consistently provide cost-effective, creative solutions to complex legal and business problems.

Our business clients are as diverse as our attorneys. They include organizations of all sizes in various industries, such as banks, government entities, public and private institutions, health care providers and facilities, individuals and families.

Our firm has been, and will always be, committed to providing the highest level of legal services to our clients. While we are proud of our New Jersey roots, and our knowledge of its laws and businesses, we know that in order to best serve our clients, we often have to act internationally. In order to meet the expanded needs of our clients, Mandelbaum Salsburg is a member of The International Society of Primerus Law Firms, a network of top-quality, mid-sized law firms, which gives our clients access to excellent independent law firms located across the country and throughout the world.

Real Estate

Mandelbaum Salsburg's Commercial Real Estate Practice Group assists our clients in all aspects of real estate, including transactions, leasing and land use. Our technical skill, experience, practical perspective and business acumen enable us to skillfully execute complex transactions in a cost-effective manner.

We represent owners, purchasers, sellers and tenants with a broad array of property interests ranging from commercial and industrial facilities to multi-family housing. Our clients include real estate operating and development companies, institutional lenders and investors, retail tenants and corporate users.

Leasing

Both landlords and tenants rely on us in complex leasing transactions for conventional office, shopping center and industrial property leases as well as long-term ground and net leases.

Commercial Real Estate

Mandelbaum Salsburg assists our clients as they purchase, sell, finance, develop, lease and manage real property ranging from commercial and industrial facilities to multi-family housing.

Community Associations

We are skilled in developing commercial and mixed use condominium structures and in organization of commercial and residential condominium associations to facilitate and enhance property development.

Commercial Lending

Our attorneys serve lenders and borrowers in routine and complex commercial loans involving a wide range of business ventures including commercial real estate purchases and real estate development.

Environmental Law

Our firm coordinates Brownfields and redevelopment area acquisitions, development and financing. We also represent developers, contractors and investors in obtaining permits and approvals regarding wetlands and other environmental issues.

Land Use

Mandelbaum Salsburg appears before municipal boards and various agencies to procure planning approvals, variance relief, subdivision approval and other essential permits and approvals.

Tax Appeals

We provide assistance on all tax aspects of real estate transactions, have successfully obtained reductions in real property taxes, and negotiated state and local tax credits, benefits, and other incentive packages.

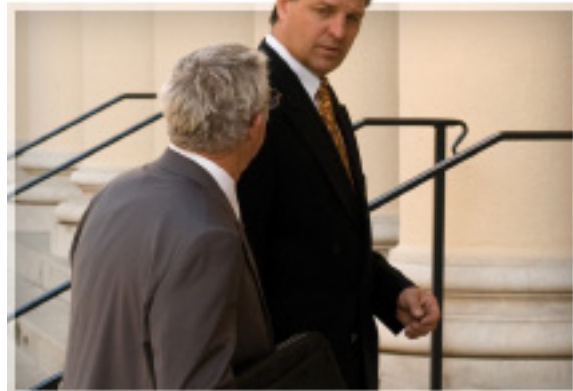

Renewable Energy and Sustainability

We also counsel clients looking to reduce their carbon footprint and replace their fossil fuel consumption with sources of renewable energy.

Business Litigation

Mandelbaum Salsburg's Commercial and Corporate Litigation Practice Group has earned a distinguished reputation in both New Jersey and New York for representing our clients' interests aggressively and successfully in a cost-effective manner. Our Litigation Practice Group provides a full range of litigation services to our institutional, corporate and individual clients.

Our services include pre-litigation counseling and negotiations, mediation, arbitration, trials and appellate practice. We practice in state and federal courts and before regulatory bodies and administrative agencies. The hallmark of our Litigation Practice Group is personal attention coupled with zealous and efficient advocacy.

Alternative Dispute Resolution

Our retired judges and trained mediators offer cost-effective alternatives to litigation through the mediation of disputes and the arbitration process.

Bankruptcy & Creditors' Rights

Our attorneys have decades of experience litigating bankruptcy cases in the state and federal courts on behalf of banks and other creditors. We also have extensive experience representing debtors in Chapter 7 litigation and Chapter 11 reorganization cases.

Commercial & Corporate Litigation

Our Litigation Practice Group provides a full range of litigation services to institutional, corporate and individual clients.
